FACE OF BEAUTIFUL SMILES

DR. BRADFORD L. PICOT

Dr. Bradford L. Picot made his mark in Charlotte — not only as the owner of the funky, eclectic and trendsetting SouthEnd Dentistry, but also as a visionary contributing to city planning in various capacities. Known for his charismatic personality, philanthropic endeavors and community involvement, you'll find this dapper doctor frequently in new restaurants or playing the saxophone at one of his fundraisers. This international traveler and house chef has redefined how we view dentistry in the Queen City.
